CHANNEL 88 MEDIA GROUP

CHANNEL 88 is a full-service multimedia and marketing company providing Internet, Video and Webcasting services to corporate, government and non-profit clients. Established in 1998 in Vancouver BC, **CHANNEL 88** is staffed by an experienced and passionate team of professionals. A few milestones: in 1999, **CHANNEL 88** and its clients launched Canada's first online IPO by auction through the OpenIPO process with First Associates Investments. More recently, **CHANNEL 88** was chosen by the National Research Council of Canada to represent Canada in a government-sponsored Technology Trade Mission to Hong Kong. Today, **CHANNEL 88** Media Group services clients in targeted economic sectors and continues to grow and evolve its client base and professional service offering

OUR VISION

At **CHANNEL 88** Media Group, our vision is to help our clients build their business, by providing best of breed, cost-effective, multimedia & marketing solutions, and to engage in an ongoing commitment toward continuous improvement of our services. We aim to be highly responsive to our client's needs; and to provide a high level of personalized service. **CHANNEL 88** works hard to help build your business, raise your brand awareness and your brand equity through cost effective multimedia and marketing solutions.
